Education

Bachelor of Science in Information Technology

Thakur College of Science and Commerce, Mumbai, Maharashtra

Expected Graduation: May 2026

Skills

- **Programming Languages:** C++, JavaScript
- **Technologies:** MERN stack (MongoDB, Express, React, Node.js)
- **Development:** Full-stack development

Projects

Notebook

- Developed a full-stack application enabling users to create accounts, write notes, and save them seamlessly.
- Utilized MongoDB as the database for efficient data storage.
- Implemented user authentication using bcrypt and JWT libraries for enhanced security.
- Employed Redux for state management to ensure a smooth user experience.
- Implemented every functionality with thorough analysis and attention to detail.
